- ☒ Show Shipping Contact Phone Number
- ☒ Show Shipping Contact Email Address
- ☒ Show PO Reference

When designing the sales documentation, administrators can choose to display product thumbnails by checking the "Show Product Images" box. Do not check this box if you wish to hide the product images.

Use the header and/or footer boxes to customize this information for company Sales Orders. Enter the information you would like to include within the appropriate section and then use the available toolbar to format it.
