

PrintGizmo Overview

Jennifer M - 2019-06-27 - Special Features

ASI® has partnered with eLynxx Solutions to provide PrintGizmo, a print procurement tool that makes it easier to get the printing you need!

To access PrintGizmo from ESP Web, click on the button from the main toolbar.

For assistance using this tool, please review the [PrintGizmo Quick Start Guide](#).

Check out this video for information on how to shop and order from the PrintGizmo catalog:

Note: To view the webinar in full screen, begin playing the video, click on the YouTube button and then click on the Full Screen option.

Check out this video for information on how to get a quote on print:

Note: To view the webinar in full screen, begin playing the video, click on the YouTube button and then click on the Full Screen option.
