To access Connect, please type <https://connect.asicentral.com> in the address bar of your browser (Google Chrome, Mozilla Firefox, Safari, Internet Explorer, etc).

Note: If you are using Internet Explorer, the minimum required version is Internet Explorer 9.

The **Connect** login page provides you with access to all of your ASI applications and sites through your single sign-on (ESP) account. Your Connect (ESP) login also applies to ASI Central and ASI Education.

Enter your ASI number, username and password in the appropriate boxes.

Before clicking on the **Login** button, you can select which application you would like to access by clicking on the corresponding radio button:

- *ESP Applications:* ESP Mobile, ESP Web, ESP Websites for Suppliers and MediaStats/ROI Reports
- *Supplier Tools:* Connect: Find Distributors, Update/Edit your Products (ESP Updates) and Email Marketing
- *Quick Links:* ASI Central

By checking the Remember Me box, Connect will store your ASI number and username for future logins.

If you need assistance logging in, there is a Need Assistance area below the Application Login section. The Need Assistance area contains three tabs:
