**Note:** If you are using Internet Explorer, the minimum required version is Internet Explorer 9. You may also use Mozilla Firefox, Google Chrome or Safari.

The Media Stats login page provides you with access to all of your ASI applications and site through your single sign-on (ESP) account. Your Media Stats login also applies to your ESP and Connect services, as well as to ASI Central and ASI Education.

Enter your ASI number, Username and Password. Select MediaStats/ROI Reports from the ESP Applications options. Click Log in. By checking the "Remember Me" checkbox, MediaStats will store your ASI number and username for future logins.
