ESP CRM and Orders Administrative Controls

Wendy D - 2018-03-29 - in ESP Admin

Within ESP CRM, there are specific features available to the administrators of the company.

To access these administrative tools, log into ESP Web, click on the avatar, and select Settings.

As an administrator, you are able to:

- [Import Company and Contact Data](#)
- [Notifications](#)
- [Establish Relationships between Companies and Contacts](#)
- [Create Sales Teams](#)
- [Manage Users](#)
- [Set Default Visibility](#)
- [Update Company Profile](#)
- [Set Email Defaults](#)
- [Design Sales Documentation](#)
- [Establish Sales Tax Rates](#)
- [Integration with QuickBooks](#)
- [Document Numbers](#)
- [Order Status](#)

- [Default Tasks](#)
