

ESP Web Training

Matt G - 2020-01-15 - Getting Started

Looking for ESP Web training? You've come to the right place!

ASI offers [live training sessions](#) and on-demand webinars for two classes: ESP Web - Getting Started and ESP Web - Presentations. The training sessions are scheduled during regular business hours with a live trainer and enable you to attend a webinar from your computer. [Sign up for a class today!](#)

In addition to the live training sessions and recorded webinars, you can also watch our chapter videos which are topic based instructional videos. You can click on the playlist name to view all the videos within that chapter or click on a specific video.

The available chapters are:

[Searching in ESP](#)

- [Intro to ESP](#)
- [Use the Quick Search](#)
- [Use the Advanced Search](#)
- [Marking Products](#)

[ESP Presentations](#)

- [Creating an ESP Presentation](#)
- [Edit Product Information](#)
- [Modifying the Pricing](#)
- [Design](#)
- [Settings and Comments](#)
- [Sending and Sharing](#)

We also have a feature spotlight video available for the new [Virtual Sample Design Studio!](#)

ASI offers on-demand webinars which you can watch at your convenience. Click on the video thumbnails to view the webinars.

ESP Web - Getting Started

In this webinar, you will learn how to navigate the ESP Web homepage, how to search for products, and how to manage the results.

Note: To view the webinar in full screen, begin playing the video, click on the YouTube button and then click on the Full Screen option.

ESP Web - Presentations

In this webinar, you will learn how to create, edit, save, and send a presentation in ESP Web.

Note: To view the webinar in full screen, begin playing the video, click on the YouTube button and then click on the Full Screen option.
