PrintGizmo Overview

Jennifer S - 2018-10-05 - in PrintGizmo

ASI® has partnered with eLynxx Solutions to provide PrintGizmo, a print procurement tool that makes it easier to get the printing you need! Currently, this feature is in limited release, more details coming in 2019!

[I'm currently using PrintGizmo, but need help getting started.](#)

Check out this video for information on how to shop and order from the PrintGizmo catalog:

Note: To view the webinar in full screen, begin playing the video, click on the YouTube button and then click on the Full Screen option.

Check out this video for information on how to get a quote on print:

Note: To view the webinar in full screen, begin playing the video, click on the YouTube button and then click on the Full Screen option.
