Remove the Map to My Location in ESP Websites

Tamika C - 2019-06-07 - in ESP Websites

A map to your location will be displayed in up to two locations on your site:

- On the Contact Us page
- In the footer of the homepage (not all templates display the map)

Need assistance? We are here to help. To inquire about the products and services found on our website, please contact us by phone or e-mail, and we'll gladly assist you.

Office Location

After logging into the ESP Website admin, locate your site and click on the Edit Site button.

Click on the plus button to expand Pages & Menus and then click on Advanced Page Manager.

Note: A notification may appear ensuring that you understand that making changes in this area may result in a loss of features and functionality. Click on Ok.

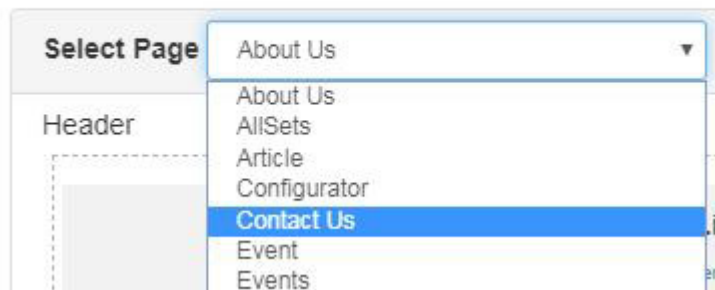

To remove the map, take the following steps

1. Select the Edit Page tab from the Manage Pages area.

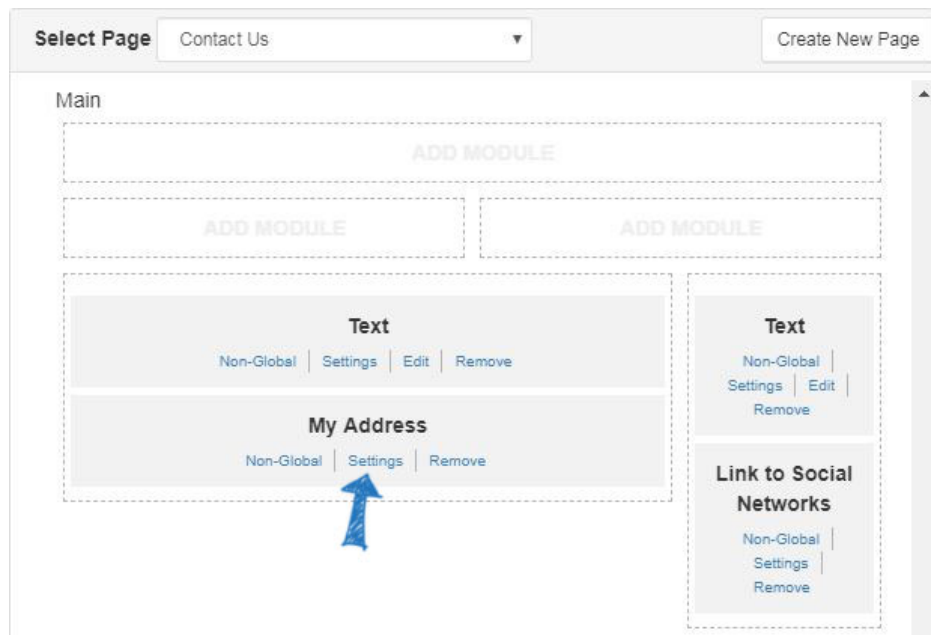

2. Next, use the Select Page dropdown to choose which page you would like to update.
 - o To remove the map from the Contact Us page:
Select Contact Us from the page dropdown.

About Us

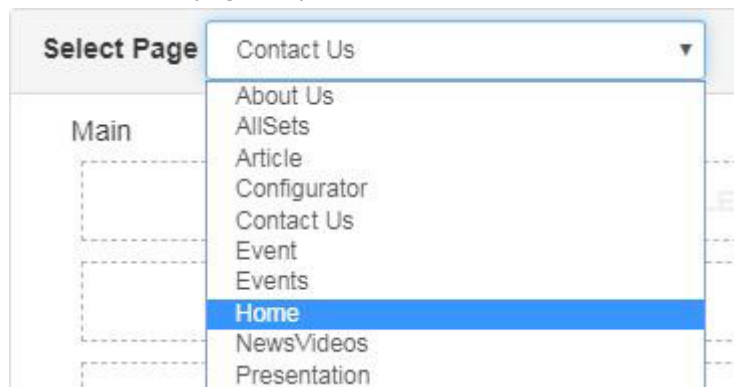

Scroll down to the Main section and locate the My Address module. Click on the Settings link.

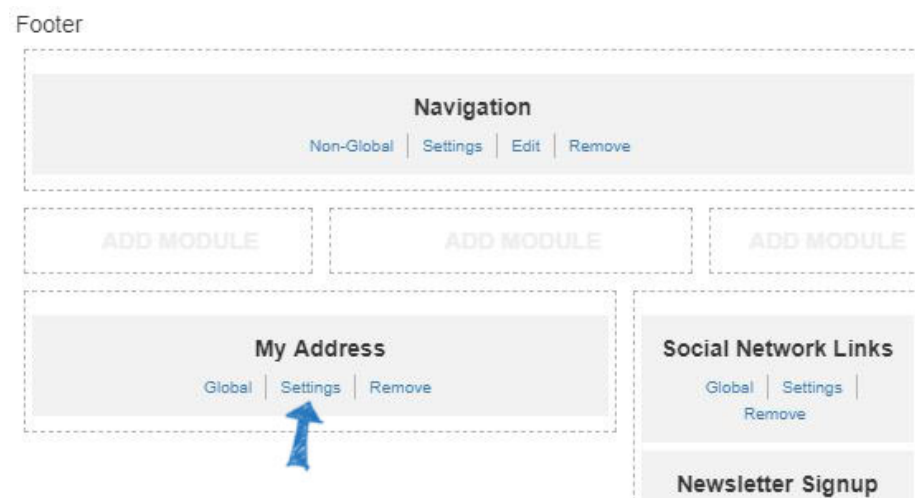

- To remove the map from the Home page

If you are using a template where the map is displayed in the footer, select Home from the page dropdown.

Scroll down to the Footer section and locate the My Address module. Click on the Settings link.

3. In the Module Settings window, use the Display Map dropdown to select False.

Module Settings

Display Map	<input type="text" value="True"/>
Map Height	<input type="text" value="True"/> <input type="text" value="False"/>
Map Width	<input type="text" value="668"/>

4. Click on the Save button.

Module Settings

Display Map	<input type="text" value="False"/>
Map Height	<input type="text" value="212"/>
Map Width	<input type="text" value="668"/>
Display Address	<input type="text" value="True"/>
Inline	<input type="text" value="False"/>
Display Company Name	<input type="text" value="False"/>

To publish this update, click on the Make Changes Live link in the upper right side of the ESP Websites Admin.

<input type="button" value="Preview"/>	<input type="button" value="View Live Site"/>	<input type="button" value="Make Changes Live"/>
