The Monitor List in Connect

Tamika C - 2019-02-13 - [Connect](#)

The Monitor List helps you monitor the paying habits of distributors. When you report on distributors they are automatically added to your monitor list. Distributors can be added and deleted from this list by the Connect Primary Contact of your company. To access your monitor list, click on the **Monitor List** tab at the top of your home page.

To add a distributor to the Monitor list the Connect Primary Contact can begin typing the distributor name or asi number in the search box. Highlight the distributor name or asi number that you want to add to the list and click the Add button.

Monitor List

Below is the list of all of distributors that you have reported to ASI, both semi-annually and monthly. This information is updated in real-time for you to monitor their paying habits accurately. When new information is posted about a distributor, an indicator will appear on the home page for that distributor. Use the Prospect List to monitor up to 100 prospective clients.

Write-Off Turned Over for Collection NSF Past Due Report Average Pay Habits Notes

To find a distributor on your Monitor List, type their ASI number or company name in the type ahead Search box.

Only matching results will be displayed in the Monitor List.

Connect gives you the option of which type of information you want to monitor. You can check the following boxes to include that information in the Monitor List. Check all or any combination of criteria you wish to include.

The available options are:

- Write-Off
- Turned Over for Collection
- NSF(Non-Sufficient Funds)
- Past Due Report
- Average Pay Habits
- Notes

Click on any of the headers at the top of the chart to reorder the data in your list. The list will default to the severity order of the alert.

If your company's primary contact no longer wishes to monitor a distributor, they can delete that distributor from the list by clicking on the "X" in the Remove column.
