Unauthorized Logos

Tamika C - 2018-12-04 - in ASI In the Industry

ASI® maintains a list of companies and organizations whose logos cannot appear in a catalog, ad, or website without proper authorization of the owner of the trademark and/or logo. Check out the full list of [unauthorized logos](#). Only the person who owns a trademarked logo can ask to be added to our list of logos not to be used in ASI publications.

To request your company's logo or trademark be added to the Unauthorized Logos list:

The owner of the trademark needs to send an email to cmachion@asicentral.com or a letter on company letterhead to:

Chuck Machion
ASI
4800 Street Road
Trevose, PA 19053

The list is updated upon request from an owner of the trademark and the approval of ASI's Legal department.
