

ESP Quick Tip #41: Create Custom Product from Clipboard

2022-07-22 - Jennifer M - ESP Quick Tips

If you have previously saved an item to your Clipboard, you can use it to create a custom product. To do this, log into ESP and click into the Websites Admin tab. Then, take the following steps:

1. Click on the Global Features option from the main toolbar and select "Custom Products" from the menu.

2. Then, click on Search and Copy button.

3. Open the Clipboard, hover on the item you would like to use to create a custom product and click on it.
