ESP Quick Tip #57: How to Search Using Additional Keywords

2023-03-20 - Jennifer M - ESP Quick Tips

After locating items using the quick search or the options in the advanced search, you can narrow the results further using additional keywords. From the results page, click into the Search within field at the top of the filter options and enter additional keywords. Then, click Go to add the terms to your current search.

The screenshot displays the ESP search results interface. On the left, a sidebar shows 15,527 results from 733 suppliers. The 'You've selected' section lists 'T-Shirts' with a 'Remove' button. Below this is a 'Quantity' input field and an 'Apply' button. The 'Category' section lists various apparel categories with their respective counts: T-SHIRTS (13,368), PERFORMANCE APPAREL (3,158), SHIRTS (1,857), UNIFORMS (858), and ANTIMICROBIAL ENHAN... (690). The main content area features a top navigation bar with 'Products (15,527)' and 'Catalogs (73)' tabs, along with 'Save this Search' and 'Print' links. Below the navigation bar, there are view options (List, Grid, Image) and a 'Sort By: Default' dropdown. The product listings include:
