

ESP Quick Tip #14: Adding a Customer Discount to an ESP Order

2021-07-15 - Jennifer M - ESP Quick Tips

If you created an order in ESP and now need to show a discount or coupon for the customer, you can do so by taking the following steps:

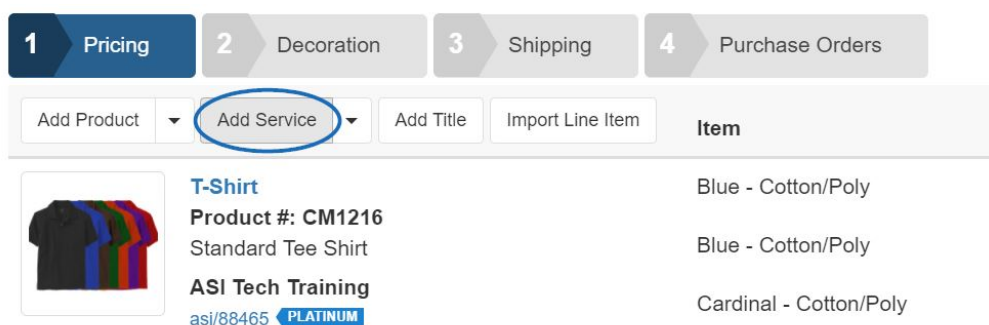

1. Log into ESP and click on the Orders tab.

2. Locate the order for which you would like to add the discount and click on the order number.

3. Once the order opens, scroll down until you see the tabs for Pricing, Decoration, Shipping, and Purchase Orders. Then, click on the "Add Service" button.

4. Configure the line item as needed. You can enter any information in the available fields. When you are finished, click on Save.
