

ESP Quick Tip #24: Remove an Appointment from Calendar in CRM

2021-11-17 - Jennifer M - ESP Quick Tips

To remove an appointment from a calendar within the CRM, log into ESP and click on the CRM tab. Then, click on the Appointments option from the blue toolbar.

Then, take the following steps:

1. Click on the appointment you would like to remove.

2. Click on the Delete Appointment link at the bottom.
