

ESP Quick Tip #64: Import Orders Line Item(s)

2023-09-22 - Jennifer M - ESP Quick Tips

If you would like to import line items from a prior order in ESP, log into ESP Web and click on the Orders tab.

Then, open the order to which you would like to import the line item by clicking on the order number. Scroll down to the products and pricing section and click on the Import Line Item button above the product listings.

All previously created orders will be displayed. Click on the arrow to access all line items within that order. Click on the line item(s) you would like to import. When you are ready, click on the Import button.

The screenshot shows the 'Import Line Item' process in the ESP Web interface. The top navigation bar includes 'esp' and 'Order #201923823'. Below the navigation bar, there are tabs for '1 Pricing', '2 Decoration', '3 Shipping', and '4 Purchase Orders'. The 'Import Line Item' button is highlighted. The main content area displays a table of line items for the selected order. The table has columns for 'Item', 'Qty', 'Cost', 'Price', 'Total Cost', 'Total Price', and 'Margin'. The first line item is 'Bounty Spirit 11oz Ceramic Mug - Imprint' with a quantity of 10, a cost of \$1.1340, and a price of \$1.8900. The total cost is \$11.3400, the total price is \$18.9000, and the margin is 40.00%. The table also shows 'Total Units' as 10 and 'Total (USD)' as \$11.34, \$18.90, and \$7.56. Below the table, there is a summary section with 'Subtotal: \$11.34 \$18.90', 'Discount: 0.00% \$0.00', 'Booked Margin: \$7.56 40.00%', and 'Sales Tax: \$1.13'. At the bottom, there are buttons for 'Cancel', 'Preview', 'Download', 'More', 'Send to ASI SmartBooks', 'Send to ProfitMaker', and 'Send'.
