Paid Tab Added for Reporting Single Transaction

When reporting on a single transaction, Suppliers now have the option to use the Paid tab. The Date and Amount Paid are required fields, but Suppliers are also able to indicate if credit was extended prior to submitting the transaction information.

What Type of Transaction would you like to report on?

Paid	Collections Information	Non-Sufficient Funds	Bankruptcy / Merger
-------------	-------------------------	----------------------	---------------------

I'm reporting this company is making a payment .

Date Paid*

Amount Paid*

Extended Credit Amount

<input type="button" value="Reset"/>	<input type="button" value="Submit"/>	<i>* Required Field</i>
--------------------------------------	---------------------------------------	-------------------------

Free Shipping Checkbox in Basic Details Tab

Suppliers are now able to indicate if an item is eligible for free shipping directly in the product information. When editing the product, Suppliers can go to the Basic Details tab and scroll to the shipping information to check the "Free Shipping" box.

Shipping Estimate: This information will be used to Estimate the Cost
