

Design Sales Documentation

Wendy Dujmovic - 2021-08-31 - ESP Admin

In the Document Design section, administrators can upload a logo for order documentation. Click on the Upload button, browse your computer, select your logo, and click on Open.

Show Product Images

Show Shipping Contact Phone Number

Show Shipping Contact Email Address

Show PO Reference

When designing the sales documentation, administrators can choose to display product thumbnails by checking the "Show Product Images" box. Do not check this box if you wish to hide the product images.

Use the header and/or footer boxes to customize this information for company Sales Orders. Enter the information you would like to include within the appropriate section and then use the available toolbar to format it.
