To create a new ASI Central account, go to [www.asicentral.com](http://www.asicentral.com) and click on the "Create An Account" link.

The image shows a dark-themed login form. At the top, there are two input fields labeled 'Username' and 'Password', followed by a red 'LOGIN' button. Below these fields, there are three links: 'Create An Account', 'Forgot Password', and 'Forgot Username'. The 'Create An Account' link is circled in blue.

Complete the form and then click on the Register button. Once your new ASI Central login has been established, you will receive an email confirmation.
